new PLANET
EXPRESS

www.newplanet.co.ke

When it comes to international freight logistics, the partner of choice is of paramount importance. You want a provider that has the networks and the capacity to offer smart, exceptional and flexible freight logistics solutions all across the world. New Planet Express was set up in 2004 with that very goal in mind.

New Planet Express is a total transport and Logistics provider with global agency alliances located in over 250 cities in 102 countries worldwide.

Since inception on the year 2004, New Planet Express has established itself as a major player in the international freight forwarding business in Kenya.

We have the technology, expertise and solutions to make sure that our clients' freight handling needs are well covered. Our dedicated team of experts works closely with our clients to understand their business needs goals and strategies. At New Planet Express, every client receives personal and detailed attention.

This commitment to our clients forms the foundation for carefully designed solutions in air and sea-freight clearing and forwarding, Customs brokerage, road transport, warehousing, packing, consolidation to and from Kenya to all major destinations worldwide.

Our global logistics partnerships ensure that we are able to provide a complete range of freight logistics solutions and value added services which simplify our clients logistics needs, wherever in the world they may be. Our close relationship with each of our partners ensures seamless connectivity for our clients' freight movement around the world.

To cap it all, New Planet Express has invested in strategic relationships. Our excellent standing with airlines, shipping lines, trade and statutory bodies ensures that our customer's shipments are processed quickly and efficiently through all transit and clearance points.

Air Freight

Our Airfreight division is well suited to offer our customers with a range of comprehensive airfreight products. Our global partnerships and relationships with airlines ensure minimum delays for our clients, hence reducing cost. Our airfreight products include;

Door to door
cargo delivery

Airport to airport
freighting

Packing
& crating

Customs
documentation

Warehousing

Break
bulk

Sea Freight

New Planet Express is well established in the Sea freight business. Our experienced staff provides the necessary advice which enables our clients to plan their shipments efficiently and thus reduce shipping costs.

New Planet Express strives to be the preferred logistics provider for shippers needing innovative, cost-effective and integrated supply chain solutions to move their products from the point of production to the point of consumption.

Our range of products includes:

Comprehensive LCL
and FCL services

Port to port
freighting

Warehousing

Road transport

Road Transport

New Planet Express has a well established road transport division. Using our fleet of pick-ups and light trucks and in partnership with carefully selected leading road transport providers in the country; we have the ability to move freight within Kenya and the neighboring countries with ease.

Import Express

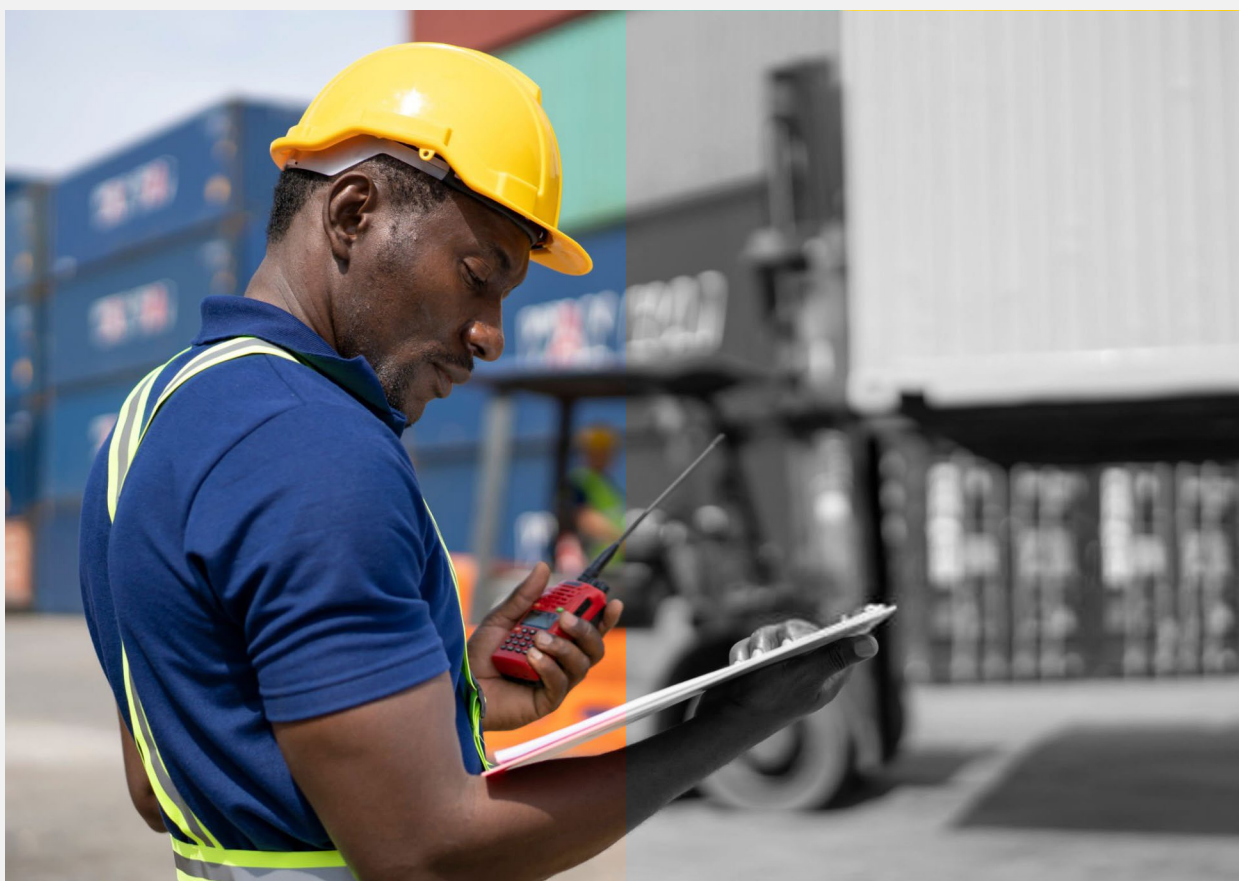

Our Import Express gives you reliable door-to-door service for all of your inbound cargo, whether by ship or air. This service is available from the over 227 cities and 98 countries where we have a network of partners.

All you need to do is let us know when and where your package is, and we'll collect it for you and have it delivered to your business address on the next possible business day. Not only is it cost effective and business friendly, it's almost certainly available wherever in the world your cargo may be!

Customs Brokerage

In conjunction with the customs department, New Planet Express frequently trains our staff in all aspects of customs declarations and processing and thus ensuring that our shipments are processed within the set guidelines and time limits.

Our Customs brokerage portfolio includes:

IDF application
and processing

Pre-inspection
certificates

Comesa/EAC
Certificates of origin

Customs
refund claims

Customs tariffs
Classifications
